

Specialist of sanitary areas intended for
healthcare facilities and hotel industry.

We offer our customers an overall service,
which integrates:

- Project **DESIGN**
- Component **PRODUCTION**
- Installation **ADVICE**

Our washbasins and shower trays offer
many advantages:

- **HYGIENIC** surfaces
- **AESTHETIC** designs
- **ERGONOMIC** shapes

Choosing MPI washbasins and shower trays
is preferring the production of components
moulded in high qualitative synthetic stone,
which makes them easy to clean.

Trusting us also means that you opt for
flexibility and reactivity, which embodies the
way all our departments work.

Let us know what you are looking for and we
will carry out your project!
